

BULLYING ADVOCACY AT CENTRAL

By: Kevin Aguilera

BEGINNING OF THE YEAR

- Continuing my work from last year
- Provide an assembly for the school
 - Professional guest speaker would be invited
 - Directed ONLY towards the 9th graders

PLAN OF ACTION

- Guest Speaker
 - Talked to counselors about bringing someone in
 - Certain circumstances
 - Late into the school year
- Survey directed to 9th graders
 - Quarterly survey for incoming freshman
 - Contacts that supported me

CONTENT OF THE SURVEY

- Safety questions
 - Students/school grounds, etc
- Being anonymous
- Majority of multiple choice questions
- Short response options
 - Provide their own personal thinking

COVID-19

- Survey was able to be distributed easily

Future Steps

- Survey will continue to distribute among students through the next school year through online

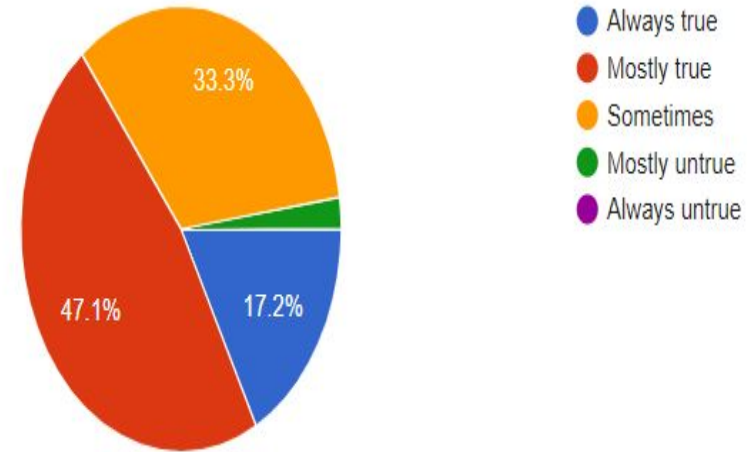

SURVEY RESULTS

- 87 total results
- Over half of the responses stated that students felt safe throughout the school year
- However, there is 33% percent that feel uncertain

I felt comfortable and safe in and out of school

87 responses

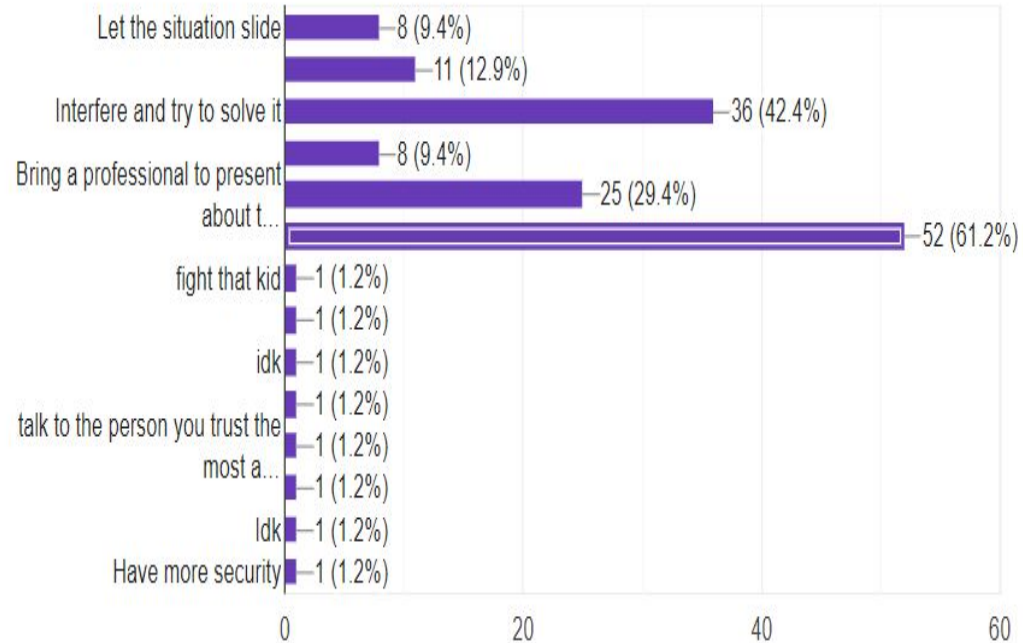

SURVEY RESULTS CONT.

- Students pointed out that having an adult would enhance their safety
- Within the short answer response, not many students replied since it was optional but about 3 students did submit
 - “Don't interfere with teens problems because we all know an adult who won't talk it out because that doesn't do anything but we have an adult who takes action.”

What do you think would enhance the safety at the school?

85 responses

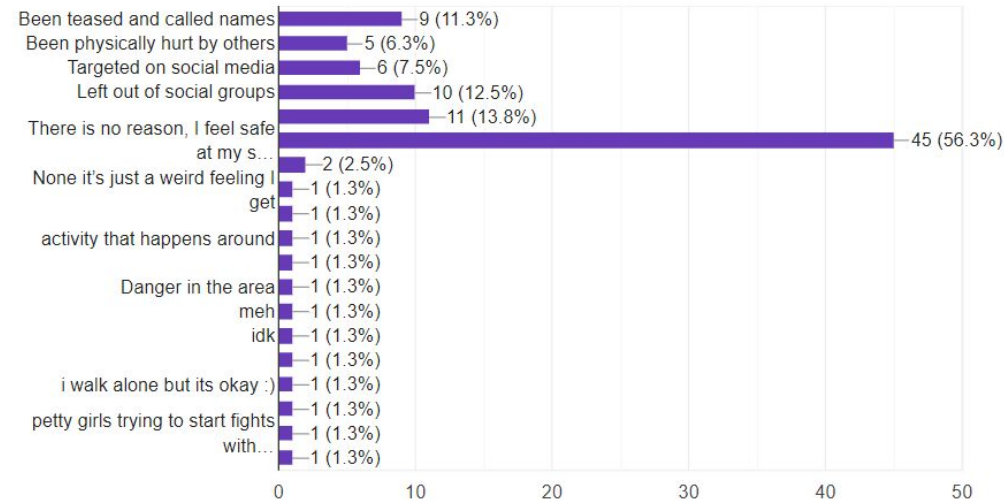

SURVEY RESULTS CONT. 2

- Even though half of the responses state they feel safe, there are still other responses that show different issues that are occurring
- It also shows personal details that they may encounter

What are some reasons you feel unsafe at school

80 responses

NEXT STEPS

- Wait out on additional responses for current survey
- Continue survey distribution quarterly among the 9th graders
- Refine the survey to make sure important details are hit
 - Emotion statement questions
 - More short responses for further detail
 - Ask for feedback on the survey and school situations
- Stay in contact at Central to provide a professional guest speaker
